WHAT DRIVES ME

Our criminal justice system is characterized by a **structural imbalance**. Advising and, if necessary, defending my clients in such a way that a **fair conclusion** can be reached despite this imbalance motivates me anew every day.

SOME OF MY STRENGTHS

I am a **strong communicator** who can bring together people who believe they are miles apart by separating relevant from irrelevant issues.

SOMEONE WHO INSPIRES ME...

Everyday heroes - people who, faced with critical challenges, decide to do what's right and not what's easy. And my father, who taught me this.

MY EXPERIENCE WITH THE ACADEMY

The level of **sophistication** with which all of the topics are discussed is second to none. This alone makes The Academy a wonderful forum for all things related to financial crime. Add to that the amount of **respect and friendship** among the fellows which makes personal exchanges a true, invigorating pleasure.

though you will be tempted.**
